

AUCTION OF OIL AND GAS MINING LEASES CHEYENNE-ARAPAHO ALLOTTED LANDS

Department of the Interior, Bureau of Indian Affairs, Concho Agency

Oral Auction Only – Tuesday, October 6, 2015 at 9am

Location: Redlands Community College, 1300 S. Country Club Road, El Reno, Okla.

ABSOLUTELY NO CHECKS WILL BE ACCEPTED AT THE SALE. 100% OF THE TOTAL BONUS, RENTAL AND FILING/ADVERTISING FEES WILL BE PAID AFTER THE SALE, IMMEDIATELY UPON RECEIPT OF AN INVOICE. ELECTRONIC PAYMENTS ARE ENCOURAGED THROUGH WWW.PAY.GOV.

SALE PROVISIONS:

Oral Auction Provisions - Oral auction will be conducted for the leasing of restricted Indian lands described on the attached schedule for oil and gas mining purposes. All bids will be recorded and determination made for auction items on the same day. This sale will be conducted under regulations promulgated by the Secretary of the Interior, Title 25, CFR 212 (Act of March 3, 1909, 35 Stat. 781-783; 25 U.S.C. 396) as to allotted lands, and Title 25, CFR 211 (Act of May 11, 1938, 52 Stat. 347; 25 U.S.C. 396 A-F) as to the leasing of Tribal lands, with exception to 212.20(b)(3) through 212.20(b)(5) by waiver granted from the Acting Assistant Secretary of Indian Affairs dated 5/31/2012. The specified tracts of land are being offered subject to the acceptance by the individual Indian owners of the allotted land. A separate lease will be drawn on the applicable forms for each tract of land.

The Superintendent reserves the right to withdraw, add or correct a legal description or item, and reject any bid and to disapprove any lease submitted on an accepted bid.

Subject to the foregoing, leases will be sold to the bidder who offers the highest bonus money on a per tract basis subject to a review by the Bureau of Land Management, Division of Land Management, Division of Lands & Minerals. On tracts receiving only one (1) bid, the bidder will be given one (1) opportunity to improve the bid. Conditional or alternate bids will not be considered, unless advertised as such. No drilling propositions will be considered as part of the bonus offer.

FULL PAYMENT OF BONUS, RENTAL AND FEES IS DUE IMMEDIATELY UPON RECEIPT OF THE INVOICE.

Within thirty (30) days after notification of being the successful bidder, the bidder must submit the lease in completed form. The Superintendent may, for good and sufficient reasons, extend the period for completing and filing the lease. In addition to all other remedies provided by law, failure of the successful bidder to comply with the terms of the sale will render 25% of the total bonus bid theretofore paid by him forfeited for the use and benefit of the Indian owner without further action on the part of this office.

Lessees shall furnish with each lease a corporate Surety Bond, with surety acceptable to the United States, in the amount of \$2,500.00 per lease, subject to an increase should drilling commence on subject lease, or the lessee may file a Collective Bond (Form 5-5430) in the sum of \$75,000.00 for all leases of minerals in the Southern Plains Region. In lieu of the foregoing bonds, a lessee may furnish a \$150,000.00 Nationwide Oil and Gas Lease Bond (Form 5-5438) for full nationwide coverage with an acceptable company

authorized to act as sole surety to cover all oil and gas leases or permits to which the lessee may become a party.

Important Notice: All successful bidders will be required to prepare their own leases and obtain signatures of the required percentage of consents of all Indian lessors of allotted lands. Pursuant to the Indian Land Consolidation Act Amendments of 2000 Sec. 219 (b)(1), as amended by the American Indian Probate Reform Act, a sliding scale is used to determine approval. If there are 5 or fewer landowners, 90% of the owner interest will be needed. More than 5 but fewer than 11 landowners, 80% of signatures are needed. If there are more than 10, but fewer than 20, the percentage is 60%. In the event there are 20 or more, only a majority of the signatures are necessary; however, we require all owners be contacted.

Leases will be drawn on the standard lease form used in the Southern Plains Region (AAO-81), which may be obtained from the Superintendent of the Concho Agency. The successful bidder assumes the responsibility of obtaining the appropriate lease forms. Unless otherwise noted in the schedule, the leases on allotted Indian lands will be drawn for a maximum term of three (3) years from the date of approval by the Superintendent, Concho Agency, El Reno, Oklahoma, and as long thereafter as oil/and or gas is produced in paying quantities. The rate of royalty on allotted lands is twenty percent (20%) on all leases. The rental of \$3.00 per acre in advance for any one year is not considered as a credit on the royalty.

On those tracts listed in which an undivided restricted interest is offered for lease, bids will be accepted and interests considered for leases on the undivided restricted interest only. The prospective lessee will be responsible for arranging for payment to those owners (non-Indian) of undivided unrestricted interests.

If the lessee shall commence drilling with a rig designed to go to the total proposed depth and such drilling shall commence by midnight on the last day of the primary term of the lease and shall continue until the well is fully completed to production or abandoned, the lessee shall have the right to drill such well to completion with reasonable diligence and this lease shall continue and be in force with like effect as if such well had been completed within the primary term of said lease. All Departmental leases awarded under this advertisement contain a provision that all acreage not included in a unit and not producing or upon which drilling operations have not commenced shall be released at the expiration of the primary term; and further, that the lease(s) shall terminate as to all non-producing formations at the expiration of the primary term of the lease. Also included are provisions that address surface damages and geological or geophysical permits.

Please address all questions pertaining to this notice to the Oil & Gas section at 405-262-7481.
